Welcome to Our School

This information pack will provide you with an insight into our school and offer some practical information which will be of use to you as a prospective member of our school community.

Our School enjoys working collaboratively with our partner schools within Truro and Penwith Academy Trust.

We welcome visitors as this is the best way to see our lovely school, experience our creative and captivating curriculum and meet our motivated and engaged children. Please phone the school telephone number provided if you would like to arrange to look around.

General Background

Sennen School is the first and last school in the land! It is located in the small village of Sennen which is located approximately 8 miles west of Penzance. This means we have quick access to the beautiful Sennen Cove, as well as other local beaches.

The school caters for children between the ages of 4 - 11. We currently have 96 pupils on roll and offer a rich & diverse curriculum, as well as before & after-school activities. In 2018 we joined the Truro and Penwith Academy Trust and enjoy working collaboratively with our partner schools as well as having excellent links with Cape Cornwall secondary school which is also in the Academy Trust.

Class Organisation

The school currently has:

Reception – Mrs Hulse & Mrs Baker, Year 1/2 – Miss Clackworthy, Year 3 / 4 – Miss Sawle, and Year 5/6 Mrs Tindall, SENDCO – Mrs Baker

Staff Organisation

The school has a Headteacher, two full-time teachers, three part-time teachers (job-share) and a SENDCO one day/week. In addition, we have five teaching assistants who are a key part of our teaching and learning team.

We also have a highly dedicated and extremely efficient school administrator. Both our catering and cleaning contracts are provided by outside companies.

We are strongly committed to staff development and learning.

Our Curriculum

We have invested a lot of energy in providing a bespoke, exciting and creative curriculum which inspires and motivates children and supports high quality learning. Our curriculum is also underpinned by a commitment to developing core skills.

At Sennen we believe that children need to have a connection with their local area and nature. Staff plan learning opportunities within their projects to get children outside in our wonderful school grounds as well as our local environment and around Cornwall. The whole school gets to experience beach school throughout the whole of the summer term which really helps to develop those core

skills and connect them with the locality. All Key Stage 2 children get to experience a residential to enrich their learning further.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.

Shortlisted candidates will be required to complete a Safeguarding Self-Declaration Form as part of their application. We will also carry out online searches as part of our due diligence on the shortlisted candidates, as updated in the Keeping Children Safe in Education recommendations. This may help identify any incidents or issues that have happened, and are publicly available online, which the School or Trust might want to explore with the candidate at interview.

Successful candidates will be required to complete a Disclosure and Barring Service (DBS) application and Health Assessment form as part of their pre-employment administration. The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provide that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account.
