27.3.24—Last day of term

28.3.24—INSET day—school closed to pupils

15.4.24—First day of term 4

Our penultimate week has lead to a lot of wonderful learning in school. Cowloe have got stuck into their cooking topic for Design and Technology, and have been planning their own bolognaise to make in school next week. Longships are continuing to love their Romans topic, and have been learning a song to treat you to in our final assembly on Thursday! Brisons have been preparing for their trip to St Micheal’s mount next week by learning all about King’s Queen’s and Castles. They have been looking at pictures online of the site and talking about the features they can see. Please remember that the children need to be in earlier on this day (8am please)

### Guitar & Ukulele lessons

Guitar, Bass and Ukulele lessons with local musician Emilio Ayto are now available at your school that will be provided by Cornwall Music Service Trust.

In order to get your child's musical journey underway please sign up on our website: [www.cmst.co.uk](http://www.cmst.co.uk)

For more information please email the tutor at: [eyto@cmst.co.uk](mailto:eyto@cmst.co.uk)

### Reading books in Aire & Brisons

We hope your child is enjoying reading their lovely new books. As previously mentioned, this has been a considerable investment for the school. We have provided the children with a plastic folder to put them in to avoid them getting damaged. Could you please make sure that **all books** are brought into school **every day**. We have to ensure that all books are kept together, and this is proving challenging if they are not returned on the right day. Unfortunately, we are having to charge for lost / damaged books, as they are quite costly to replace.

### Cross Country

This course was the toughest by far! Gravel, wind and an uphill finish, made it a hard run for a lot of our children. Despite this, they all gave it 100%. A lot of them beat their previous placement and they all finished with a smile! There is one more cross country event left which is at Cape Cornwall School on 27th February. It will be lovely to make this our biggest participation—it's definitely the easiest course!

### New Team Kit Sponsors - Sennen School need you!

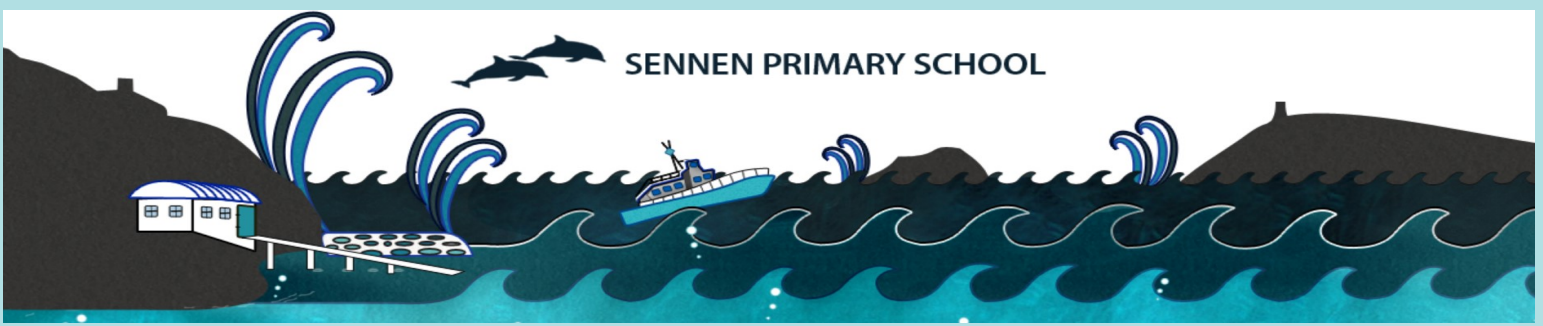

After going to a few different events over the last academic year, we are really pleased that we have had a better uptake with more children eager to take part this year! We want to embrace and encourage this enthusiasm by providing a united kit that our children can proudly wear to represent our school.

The aim is to redesign our current kit so our team can be more easily identified, as well as provide jackets to keep children warm when the weather is chillier/wet.

We would love to hear from any businesses who would be interested in becoming a sponsor for our amazing children! It's a great way to raise business profiles, as all events are so popular through the county! Please email me on
