

# PK PORTHCURNO

MUSEUM OF GLOBAL COMMUNICATIONS

## STEAM EXPLORERS

Saturday 26 February 2022

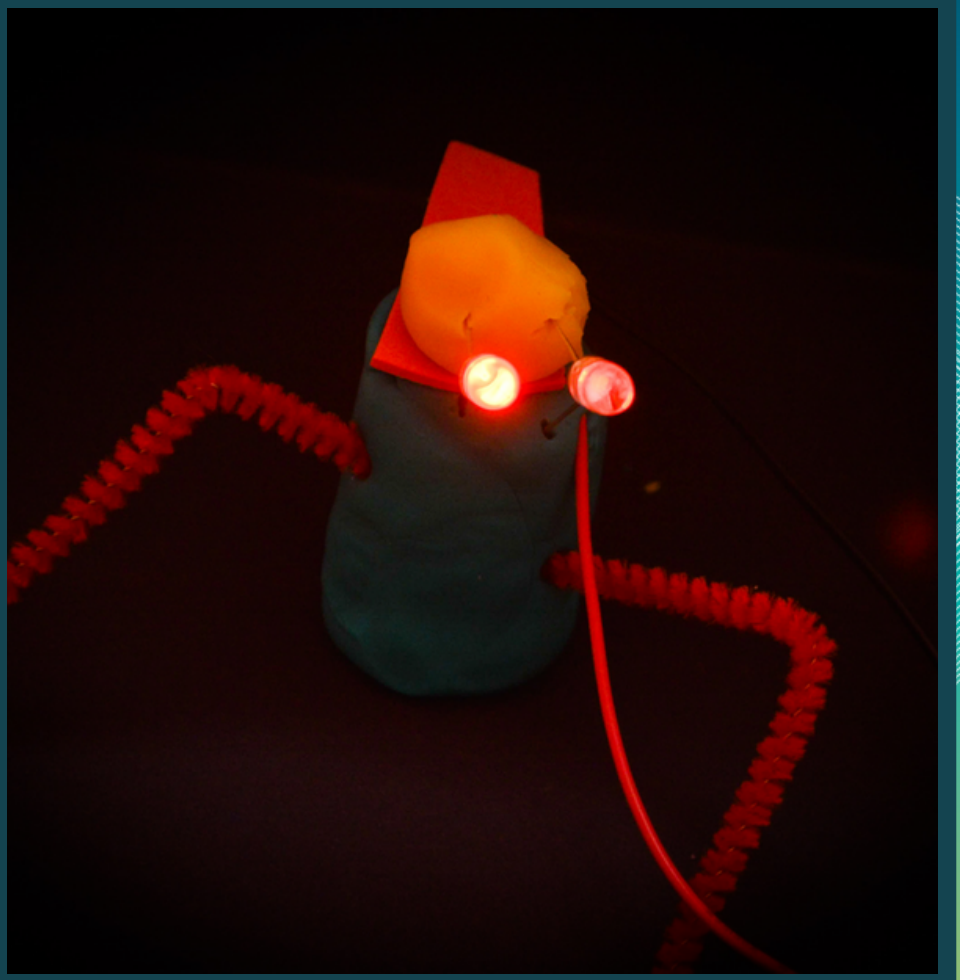

10:30 - 12:00

Meet at the Clore Learning Space, PK

### Squishy Circuits

Did you know that you can make electricity travel through dough?

Come along, find out how, design and build a squishy circuit – or invent a bug-eyed monster with light up eyes!

STEAM Explorer workshops are FREE and designed for 7- 12 year olds

No need to book, just turn up!

To visit the museum please book tickets online – [PKPorthcurno.com](http://PKPorthcurno.com)
