This has been another great week in school, with year 2 doing an amazing job on their SATs tests. They tried their best and, as usual, had lovely smiles on their faces. Miss Clackworthy planned a nice fire pit session on the beach in celebration—well done year 2!

Cowloe have had a great week this week, they have immersed themselves in their learning based around the text 'Pig Heart Boy'. They started their week with an informative visit from Dr Cheyne, who came in with some equipment doctors use to check a patient's heart and blood. They all had a try at listening for their heart beat and took their blood pressure. They also had Mrs Charlesworth from Cape Cornwall come in and talk in more detail about the heart. She was very impressed with what they knew already. She then had some actual lamb's hearts which she got from St Buryan Farm shop. She demonstrated a dissection and then gave the children the opportunity to have a go themselves. Some children were a bit squeamish but most had a go – Well done!! So lovely to see them back to fun, immersive learning.

Year 6 trip to Spaceport

On Monday 22nd May, Year 6 have been invited to visit Spaceport Cornwall. We will be leaving at 11.30 so please can children bring a packed lunch and a water bottle. The tour and workshop finishes at 2pm so we will aim to be back by 3.15 but this will depend on traffic. We will keep the school informed if there are any delays. Year 5 will get to experience a visit from the Spaceport Cornwall team next year as part of their space topic.

Chance to Shine Cricket day

On Monday, we are lucky enough to have Chance to Shine Cricket coming in to do workshops with the children. Each class will get the opportunity to take part (including Aire Class), and year 5 will help in the afternoon while year 6 are out. Can all children please come in wearing PE kit.

Cricket tickets!

We have been successful in getting some cricket tickets for Somerset in July! We have been offered the choice of 2 days (11th and 12th July), so we will look at numbers and staffing and confirm the dates as soon as possible.

Holiday club for half term

DT coaching are hoping to offer 2 days over half term for an activities based holiday club in school. This will be on Tuesday 30th and Wednesday 31st May. We will let you know ASAP if this is confirmed.

Plant Sale

Longships are hoping to host a number of plant sales up until the end of the Summer term.

Dates to be confirmed depending on availability of plants.

It's about that time of year when gardeners tend to have a few left overs. **If you have any spare plants, pots to reuse or unused compost, we would be grateful to receive these to raise funds for our school.**

Longships are happy to pot on seedlings too!

Thank you for your support!

What happens during the Beach School day?

On the morning of the visit the class teacher will check weather and tides and decide on the best place to hold the session

The children arrive at school in their Beach School clothing and once they have eaten their lunch, the classes will walk down to the beach.

Each session will begin with a safety talk, discussion on weather conditions and tides, rules for working on the beach and about respecting each other.

We will be in small groups and the children will already know their team and the adult who they will be with for the day.

For every session we have a lesson plan which includes an opening task, suggested activities, snack time and a finishing activity. For year 5 and 6, the activity will include a session in the water with Sennen Surf School.

The beach has public toilets we can access and we will take drinking water to top up any drinks.

Children will be collected from the beach by the takeaway at 3pm. If they need to be brought back up to school, please let us know in advance. We may need to walk the children back up if the bus is full. We will prioritise the younger children first.

Suitable Clothing.

The children will be outside in varying weather and will need the appropriate clothing for the conditions and also possible changes of clothes. The children will need to come to school dressed in their Beach School clothes.

cold weather

- Hat & coat
- Jumper/fleeces (with warm under garments)
- Warm socks (and some spare socks)
- Wellington boots
- Waterproof clothing (if you have it)

Hot weather

- Sun cream protection
- Sun hat (preferably one that offers protection to the back of their neck)
- Sensible sturdy closed toe shoes or wellington boots
- Preferably covered legs (no shorts)
- Spare socks
- Waterproof clothing (if you have it)
- Jacket

Year 5 & 6 will be having their surf lessons with Sennen Surf School

They need to bring:

- Swimming costumes
- Towel / change robe
- Own wetsuit if they prefer, full length please

Lunch Menu

Children will be asked what they would like each day by their teacher. Children in year R—2 get infant free school meals and it is £2.42 for the rest of the school, other than for those pupils who have been awarded income based free school meals.
