This week started off with two fantastic workshops on plastic pollution. The first one was by Matt Nott from One Blue Eye, who showed the children ways they could repurpose unwanted plastics into something new. The older children then had a go at making their own carabiners to attach their key rings onto. The children spoke so knowledgably about the issues surrounding plastic pollution and had some great ideas as to how we could improve things in Sennen. They would like us to start collecting plastic things that break in school to donate to Matt, so that he can make new things. A huge thank you to Sennen Parish Council for funding the opportunity for the school.

As well as Matt’s workshop, years 3, 4 & 5 has a 90 minute workshop from Jade and Naomi at Clean Cornwall. The children learned all about the challenges we face with litter in Sennen and how they can be part of the solution. Thank you so much Clean Cornwall, they children had a great time!

Year 6 SATS

The children in year 6 have worked so hard and SATs week is finally upon us! The children are as prepared as can be and we know they will do their very best. We have told them that they need to make sure they have some downtime each evening and try to get a good night's sleep. We are hoping to have a special delivery for them early in the week to give them a bit of a boost. We are offering our usual breakfast each day from 8.10, you are welcome to drop any younger siblings in at the same time, but if you would like them to have breakfast please book them into breakfast club instead. You can do this by dropping me an email.

Cricket tickets!

We have been successful in getting some cricket tickets for Somerset in July! We have been offered the choice of 2 days (11th and 12th July), so we will look at numbers and staffing and confirm the dates as soon as possible.

Rescheduled football match

Apologies for cancelling the football match on Wednesday, but the weather was really against us! The match has been rescheduled for Wednesday 8th June and we will play the same team. There will also be a match against Pendeen for those year 3/4 children who have not yet had a chance to play.

Beach school

This starts for the whole school on Friday! We are so excited to be heading back down the beach again, fingers crossed summer makes an appearance! For those that are unsure, you can find a copy of the Beach school booklet on our website here:

WILD CATS GIRLS FOOTBALL

What happens during the Beach School day?

On the morning of the visit the class teacher will check weather and tides and decide on the best place to hold the session

The children arrive at school in their Beach School clothing and once they have eaten their lunch, the classes will walk down to the beach.

Each session will begin with a safety talk, discussion on weather conditions and tides, rules for working on the beach and about respecting each other.

We will be in small groups and the children will already know their team and the adult who they will be with for the day.

For every session we have a lesson plan which includes an opening task, suggested activities, snack time and a finishing activity. For year 5 and 6, the activity will include a session in the water with Sennen Surf School.

The beach has public toilets we can access and we will take drinking water to top up any drinks.

Children will be collected from the beach by the takeaway at 3pm. If they need to be brought back up to school, please let us know in advance.

Suitable Clothing.

The children will be outside in varying weather and will need the appropriate clothing for the conditions and also possible changes of clothes. The children will need to come to school dressed in their Beach School clothes.

cold weather

- Hat & coat
- Jumper/fleeces (with warm under garments)
- Warm socks (and some spare socks)
- Wellington boots
- Waterproof clothing (if you have it)

Year 5 & 6 will be having their surf lessons with Sennen Surf School

They need to bring:

- Swimming costumes
- Towel / change robe
- Own wetsuit if they prefer, full length please

Hot weather

- Sun cream protection
- Sun hat (preferably one that offers protection to the back of their neck)
- Sensible sturdy closed toe shoes or wellington boots
- Preferably covered legs (no shorts)
- Spare socks
- Waterproof clothing (if you have it)
- Jacket

Lunch Menu

Children will be asked what they would like each day by their teacher. Children in year R—2 get infant free school meals and it is £2.42 for the rest of the school, other than for those pupils who have been awarded income based free school meals.
