N.B

Scaled scores range from 80-120 and are given when reporting the results of SATS tests. A score of 100 indicates that a child has met the expected standard. IN writing a teacher assessment is performed and children either met the standard (EXP) or had not met the standard (HNM). We are a small school, therefore one child can represent large percentages e.g. in a class of 7 one child is 14%.

| Maths (Scaled score) | | | Reading (Scaled score) | | | Writing (Teacher assessment) | | |
|----------------------|----------------|-----------------------|------------------------|----------------|-----------------------|------------------------------|----------------|-----------------------|
| PPG pupils | Non PPG pupils | All pupils nationally | PPG pupils | Non PPG pupils | All pupils nationally | PPG pupils | Non PPG pupils | All pupils nationally |
| 100.8 | 102.75 | 103 | 99 | 107.3 | 102.6 | 50% | 75% | 74.1% |
