

Headteacher update

The week ahead

Day	Event	Club option
Mon	Cricket for Aire, Brisons, Longships, Cowloe—PE kits please	
Tues	Swimming for Brisons	
Wed		High five netball KS2—bring PE kit to change into
Thurs	Swimming for Aire	Multi sports for KS1—gymnastics this term (to be confirmed)
Fri	Forest School for Cowloe	

This week we started the week this week looking at the importance of determination. We learned about Helen Keller, who was deaf and blind, but went on to become the first deaf blind person in America to get a degree. She was an author who wrote 14 books, and an activist for disabled rights. We talked about all the challenges she must have faced in her life, but that she used determination to make sure she succeeded. The children definitely took this energy into their assessments this week; they worked hard, kept a positive attitude and had lots of success! We can't wait to share their progress with you at parents evening next week. The dates will be as follows:

Aire— Wednesday 13th & Wednesday 20th

Brisons—Monday 18th & Tuesday 19th

Longships— Tuesday 19th , Wednesday 19th & Thursday 20th

Cowloe—Tuesday 19th & Wednesday 20th

Sign up sheets are in the entrance area early next week for you to be able to sign up.

Last Friday, I took Longships to a multisports event set up by the year 10 children at Cape Cornwall School. They had a wonderful time and gave everything 100% effort!

Cross Country—We had 3 children who qualified for county cross country trials! Huge well done to Seb, Bella and Saf—superb running!

25.4.24—RNLI water safety assembly

22.5—24.5—Longships' camp

27.5—31.5—Half term holiday

26.6—28.6—Cowloe Camp

Aire class round up

We have been learning about bees in Aire Class these past two weeks. We have read 'Bee and Me' learning lots of terrific new vocabulary which the children have done really well at using in their own speech. The children have enjoyed making bees out of pom-poms, learning about the bee lifecycle and designing and making a bee hotel for the garden. In Maths, the children have been focusing on the concept of time and, this week, on the numbers 9 and 10. Swimming has been fantastic with all the children growing their confidence in the water. We also had a great time on World Book Day with lots of opportunities to share stories, learn about new authors and book characters and listen to authors read their own stories with expression.

Brisons class round up

Brisons have worked so hard this week. In art they have been using their paper folding skills to make the legs for a giant spider, which they worked very well in groups making. In science we went out to look for different types of wild plants which the children were brilliant at naming and looking at the similarities and differences. After a few weeks of swimming I can see that there is real improvement and the confidence levels are rising every week! Their behaviour is always impeccable at the swimming pool and we are always complimented on what lovely children they are—well done Brisons for another fab week!

Longships class round up

This week we have been learning about the different parts of the ear. We then devised a fair test in order to investigate whether the size of the pinnae affects the volume of the sound which was lots of fun.

Using the programme Scratch to manipulate a sprite has brought about some great teamwork and good discussions. Our skills are coming along nicely too,

The adults in Longships have been so impressed with the effort being put into reading at home recently. Twice this week, the whole class have recorded a read and we can't wait for our treat! We are certainly clocking up our reading miles and developing our vocabulary and story ideas too. Thank you to all of the adults at home who have been supporting this so brilliantly.

Cowloe class round up

The children have worked so hard this week, completing their assessments. I am so proud of their resilience and the progress they are making. We had a lovely visit to Bosavern Community Farm where they saw habitats in action and then helped out with the weeding and digging of the herb garden. It was lovely to get out in the fresh air too. This week we have been learning all about Charles Darwin and the children have researched and worked really hard on their double-page spreads – They all look fantastic! Next week we will be focusing on our science and learning in more detail all about evolution. We have also been practising our numbers in French – get them to count to 31 for you!

Cake Sale

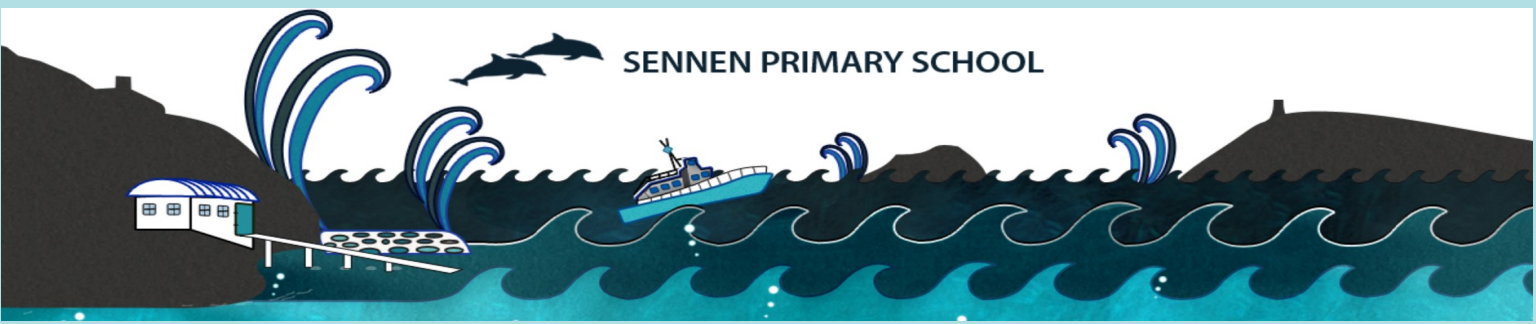

Wednesday 27th March
2:30pm

Sennen Community Centre

Refreshments are being served by FOSS
and the money raised will also be donated
to us.

50p a cake
Cash only
