What a wonderful week we have had! We started off the week with our second assembly based on the term's value of 'Respect'. This week we focussed on the British value of tolerance and respect. We talked about the fact that being kind to people you like is easy—it is much harder to be respectful if you are disagreeing with someone! We discussed strategies for how to politely 'agree to disagree', and how we can make sure we respect our peers' beliefs and opinions. As usual, I was very impressed with how well the children articulated how it feels not to have your feelings validated, and how well they were able to solve the problem together! Staff will be reminding the children of what we have learned when dealing with any conflict.

Longships and Aire have been out exploring the local environment this week, it feels good to be able to get out and about and enjoy our wonderful village, let's hope spring appears soon!

End of term assembly

In response to our parent feedback, we will be holding a whole school celebration / end of topic assembly on **Thursday 30th March at 2.30**. We plan to share some learning from each class and perform a song that we will be learning. We are also hoping to celebrate achievements, both in school and out, so if your child has won an award, or been in a competition or performance, drop me a line and I will make sure they get a mention. I will obviously have to be mindful of time, but will aim to fit in as much as possible.

THANK YOU! - A huge thank you to Trevedra farm for donating £500 to the school to help us fund our trips this year—Their kindness is very much appreciated!

Newquay Zoo—Friday 24th February

Last Friday, the children in Brisons class had an amazing time at Newquay Zoo! They spent time learning what it means to be endangered and were looking to see which species were in that category. They listened to talks about the meerkats and lions and had some great questions that impressed the speakers! The day was beautifully summed up by Yogi as we left who said ‘Well that was a great day!’

Sporting success

This week has been a great week for sport at Sennen!

It started on Monday with the final cross country competition at Cape. Seven eager runners represented our school on the thankfully flat course. They were all such fantastic runners; we had a second place in year 6, and a third place in year 3 and every other runner beat their position from last time! We are waiting for them to publish the results from all 4 races to see if any of our pupils have been selected for county trials—fingers crossed! A huge well done to Lucas, who stayed behind to help a runner in trouble, and walked with him all the way to the end, talking to him and making him feel better—we are very proud of you Lucas—a real role model for our school.

On 2nd March, we went to Nancledra to play a High Five netball match. We have played these before, and they were a well organised and experienced team. Our team were in high spirits and played their absolute best. There was an amazing Goal from Brooke, but sadly we didn't win this time. They have some clear skills to work on ready for the re-match! Well done girls!

Our next event is a quick cricket competition for 12 children in Brisons class on Monday 13th March. It will be held at Mounts Bay in the morning. Our sports coach Mr Hall has been doing cricket with the children this term and is going to help us pick a group of willing and able cricketers to represent the school!

Playground update— Now that the new equipment is up and running, our next step is to get the main playground set up for some different sports. We are planning to use the money raised from the Olympic Athlete visit to buy some netball and football goals for the children to use at breaktimes.

World Book Day 2023

We had such a fantastic World Book day based on the Tin Forest. As well as our paired reading session, the children took part in so many lovely activities, from poetry writing and tin can drumming; to shadow puppet theatres and gardening. The whole school felt full of smiles today as we celebrated our love of books.
