

Dear Parents and Carers,

Firstly, a very warm welcome back to another school year, to existing families and new families who've joined us in Reception too, we love that you have chosen Sennen School and it is great to have you with us. While I am the substantive Headteacher at Gulval School in Penzance, I have the privilege of leading Sennen School this term as well, alongside colleagues and local committee members. This is a chapter that will see the appointment of a substantive Headteacher, someone who will care deeply for your school community, its families, pupils and of course your dedicated staff team, taking everyone on an exciting new journey. I know there is another exciting year ahead for us all and I thank you in advance for the support that you provide. We've had a very busy and positive start to the term, welcoming new staff to the team (including me!) and immersing ourselves in our Curriculum. Already there is a great deal of learning happening in classrooms, books are filling up fast with beautifully presented work and your children are doing you proud! I have spoken with many of you on the gate and will continue to do so when I am at Sennen, thank you for stopping to say hello. I know there are some changes to the timings of the school day, communicated in July by Mrs Smith and changes to attendance too, implemented by the DfE. These will take a little getting used to of course, but I know very soon they will become the norm.

One thing that I have learned so far, perhaps the most important in my role as Headteacher is that you have THE most amazing children, full of fun, kindness and friendship. It has been such a joy to get to know them and will continue to be over coming weeks. The community spirit that you all enjoy is so strong too and must mean such a lot to you all. I feel a small part of this already and perhaps, over the course of this term will feel this even more. Best wishes to you all for a lovely weekend and thank you again for such a positive start to the school year.
