What a fantastic week we have had getting out and about! On Thursday, Longships went to the beach to take part in a beach clean as part of their topic on 'The Deep Blue'. Children had to categorise the waste they found and the impact it could have if it were to get in the ocean.

We had a wonderful time at our matches vs St Just on Thursday after school. All the children worked together as a team and tried their very best. Longships lost 5-3 and Cowloe drew 2-2. The children were such great sportspeople, we have been invited back for a rematch! There was a great turn out of support for our children too, which brought a wonderful atmosphere to the event. We have our next match against Mousehole coming up soon so will keep you posted!

Important dates:

1.5.24—Brisons Class to Minack

2.5.24—Aire class to Tanglewood

13.5.24—SATs week for year 6

17.5.24—Beach School begins!

24.5.24—Cowloe animal visit form Duchy College

22.5—24.5—Longships camp

27.5—31.5—Half term holiday

26.6—28.6—Cowloe Camp

Aire class had a brilliant time at the Kurt Jackson Gallery !

This week, we had our annual assembly from the RNLI. They talked about the importance of swimming in lifeguarded waters and reminded them of what the flags mean. Pupils were also told what to do in an emergency. The children have all brought home an information leaflet about their learning, so please find time to talk it through with them ahead of beach season.

Aire class round up

The children have dived head first into our new topic 'Amazing Animals'! Last week we read the story 'Tadpole's Promise' and the children learnt about the frog life cycle. This week, our focus has been on seals. Our focus story has been 'Finn, the Little Seal'. We also visited the Jackson Foundation to see Kurt Jackson's latest exhibition 'The Cornish Seal'. The children learnt a lot about seals, protecting the ocean, how an artist might work and painting with watercolours.

In Literacy, the children have learnt about character and setting, fiction and non-fiction.

In Maths, we have learnt more about 3D shapes and about repeating patterns.

In Forest school, we have made 3D shapes and patterns using natural materials. We have also looked at the work of Andy Goldsworthy.

In free play, digging with diggers and being Guinea pigs have been popular activities!

Brisons class round up

The children in Brisons have worked really hard this week over all the subjects, in art they had to do wool weaving and they did so well and their concentration in their faces was incredible. They worked really well in computing learning to label and sort information. They are all doing so well so far this term and are really trying their best. I am blown away most by the massive improvement in the children's handwriting. Well done Brisons keep up that hard work.

SENNEN PRIMARY SCHOOL

Longships class round up

This week in Longships, we have been enjoying employing geographical skills to explore the different features of oceanic zones and the creatures that live there. We have also completed a beach clean which created lots of excitement and competition to find the most unusual object. Thank you to Dave who gave us lots of knowledge and safety tips and even provided some prizes which were very gratefully received!

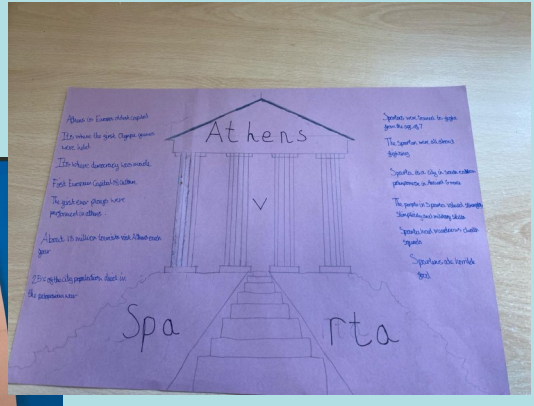

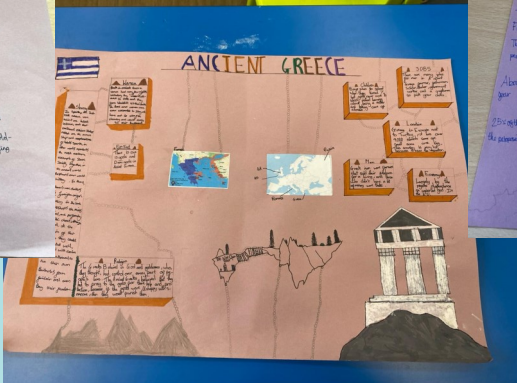

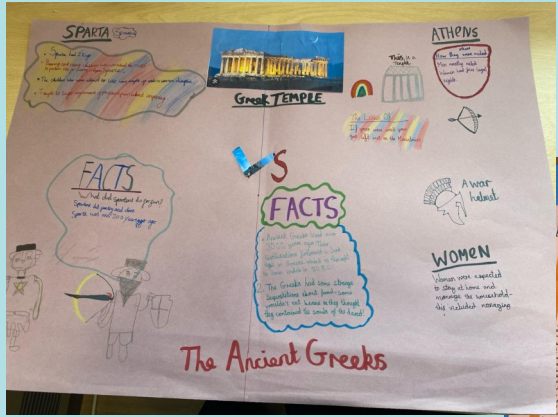

We followed this up by analysing our finds and spotting patterns to decide how we could reduce plastic usage.

Great work Longships - amazing future guardians of the planet!

Cowloe class round up

Cowloe have embraced this terms topic, Ancient Greece, with huge enthusiasm and have begun learning about who the Ancient Greeks were, where they lived and what life was like in Athens and Sparta. At break times they have even been playing 'Trojan war'. We will be applying our learning of Greek myths in our new DT topic by creating a pop-up book showing their favourite myth. In English, we have been writing a set of instructions on how to slay Medusa and in maths we have been learning how to calculate the perimeter and area of rectilinear shapes, triangles and circles. This half term, Year 6 will be taking their SATS and I am really proud of how hard they have been working. I will send out more detailed information about SATS week next week.

SENNEN PRIMARY SCHOOL

Lunch Menu

Children will be asked what they would like each day by their teacher. Children in year R—2 get infant free school meals and it is £2.65 for the rest of the school, other than for those pupils who have been awarded income based free school meals.

WEEK 3

W/C: 29/04, 20/05, 10/06, 01/07, 22/07, 02/09, 23/09, 14/10
